TRIBUTE TO CHUCK SHUPE

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. MCINNIS. Mr. Speaker, it is with great pride that I rise today to honor Chuck Shupe of Riverside, Colorado for his dedication to the youth of his community. Chuck has selflessly given 28 years to the educational needs of children in the area, and as he celebrates 28 years of service, I would like to recognize his accomplishments before this body of Congress and this nation.

Chuck began his career as a teacher and a coach in a small rural Illinois school. Like so many other successful individuals, he decided to further his education. After graduating from the University of Illinois with a Master's degree in Education and Administration, Chuck was offered a job as the principal of a large inner-city school. At the age of twenty-five, Chuck became the youngest principal in Illinois. Yet, despite his age, he met the challenges and responsibilities he faced.

Needing a change, Chuck moved to Colorado where he worked both in Leadville and Basalt. Eventually, he became the principal of Riverside School. Chuck takes a hands-on approach and finds interaction with the students

to be very important, and the highlight of his day. He pours his heart and soul into the lives of his students, even creating a student ambassador program called "Shupe's Troops," which allows students the opportunity to improve their school.

Mr. Speaker, I am honored to rise today before this body of Congress and this great nation to recognize the dedication of Chuck Shupe, a true public servant. His generous attitude and love of the job have inspired many and have truly made a difference in his community. We should all emulate the selfless example of Americans like Chuck.

HONORING MUJERES UNIDAS

HON. RUBÉN HINOJOSA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. HINOJOSA. Mr. Speaker, I rise today to bring to the attention of my colleagues a remarkable organization in the 15th district of Texas that helps victims of domestic violence. In recognition of "Stop Domestic Violence Week", I would like to highlight the accomplishments of the organization "Mujeres Unidas"—Women Together.

Mujeres Unidas is a non-profit agency that is tirelessly dedicated to helping women overcome domestic violence. Through community education, housing assistance, legal advocacy, and other outreach programs, Mujeres Unidas is offering hope and an improved quality of life to women in South Texas who have suffered violence and abuse in their own homes. For many women, a program like Mujeres Unidas is the difference between a dangerous living environment that can result in serious injury or death, and a future filled with personal growth and independence.

I would like to commend this extraordinary organization and thank them for their strong commitment to helping victims of domestic violence and for their Superior service to my district.

TRIBUTE TO WILLIE BENSON GARRETT

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. BACA. Speaker, it is with deep affection that I pay tribute to the life of Willie Benson Garrett, longtime San Bernardino community and political leader and dear friend. Willie passed away in the comfort of his own home at the age of 75 on February 28, 2003.

Willie was born in San Augustine, Texas. He graduated from San Augustine Colored High School and from H. M. Morgan Barber College. He later moved to San Francisco where he graduated from Marinella Beauty College. He then enlisted and served in the Merchant Marines for two years, after which he was honorably discharged.

In 1957, Willie moved to San Bernardino where he has resided for the past 46 years and where he began his lifelong commitment to public service. Garrett's Barbershop earned recognition as one of the most successful bar-

ber businesses in the area and was the catalyst for Willie's commitment to the betterment of his community. Garrett's Barbershop became the central point within the community where many local leaders discussed political, economic, social and other issues.

As a community and political activist, Willie was President of the NAACP, supported the League of Mothers, helped establish WAG, was a member of The Black Democratic Club, was the Best Yet Promotions Political Campaign Advisor, and managed the Westside Drop-In Center in the City of San Bernardino. For his many contributions, Willie received the "Man of the Year" award for San Bernardino, received the 2001 NAACP Community Activist Award and received the "Role Model of the Year" award by WAG.

Willie did not let his retirement stop him from making sure the well being of his community continued to be a priority. Willie was a member of the New Hope Baptist Church and more recently the impetus behind seminars and workshops on prostate cancer, diabetes, and other health issues relevant to women and men through support garnered from Kaiser, Community Hospital, The VA and Loma Linda Hospitals. He also provided leadership to the camping program of the local 4-H youth program for a number of years and helped pave the way for Native Americans to help teach to the 4Her's.

Willie credited his success to the grace of God and to the support of his loving wife, Constance Garrett, of over 20 years. His 2 daughters, Bertha Hilburn and Patricia Scott, 2 sons, Shelley Garrett and Craig Garrett Cramer, 7 grandchildren, 3 great-grandchildren, 3 sisters, Erma Jean Stafford, Ruth Stewart and Freddie Bivins and 2 brothers, Earnest and Leonard Garrett, also survive him.

Willie Benson Garrett has left behind a wonderful legacy of community and political activism. The many nieces, nephews, cousins, relatives and friends who loved him dearly will miss him. Willie touched us all with his kind deeds and leadership in our community. Barbara and I extend our deepest condolences to Willie's family. May God bestow his comfort upon them at this time.

INTRODUCTION OF THE HEALTH CARE IMPROVEMENT ACT OF 2003

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. CONYERS. Mr. Speaker, I am pleased to introduce, along with Congressman BACHUS, the Health Care Improvement Act of 2003. This is the successor legislation to the Campbell/Conyers bill from 107th, which passed the House by an overwhelming 276-136 vote. The legislation responds to two alarming anti-consumer trends—the ever increasing level of concentration among health insurers and exclusionary contracting practices by health insurance companies. The last five years have seen a massive consolidation in the health insurance and managed care market as more than a dozen health insurance competitors have been eliminated through mergers and acquisitions.

The dangers posed by this ever increasing market concentration are exacerbated by the

practice of health insurers engaging in heavy-handed negotiating tactics and requiring exclusionary contractual commitments from health care providers. Such restrictive contractual terms are frequently proffered on a "take it or leave it" basis to health care providers, under the threat of the loss of the provider's patients or exclusion from their access to other patients.

Our legislation responds to the problem by allowing physicians or other health care professionals to collectively negotiate with a health plan over contractual terms or plan policies. Presently, joint negotiations with a health plan by physicians or other health care professionals who are not financially integrated are illegal per se under the federal antitrust laws if they involve fees or prices. Under this legislation, such activities would be subject to review based on a more liberal "rule of reason" analysis, which could take quality of health care into account.

I have taken a particular interest in this legislation because of the unfairness of the current market situation on African American doctors. I am aware of a number of incidents in Detroit and around the country of minority physicians being threatened that they will lose all of their business unless they enter into one-sided service contracts. This bill gives physicians the ability to respond to these abuses on a collective basis.

The legislation is strongly supported by a wide array of health care professional and trade organizations.

HONORING THE TELLURIDE ADAPTIVE SKI PROGRAM

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize the Telluride Adaptive Ski Program for its creativity in expanding participation in winter sports. TASP organizes programs that give disabled people from all over the country the opportunity to experience skiing and snowboarding in Colorado's beautiful mountains.

TASP helps to make skiing accessible to diverse groups of people by using adaptive teaching techniques and equipment to accommodate new skiers with disabilities, both physical and mental. TASP also builds bridges between disabled and non-disabled participants with innovative partnering programs. TASP's programs build independence, confidence, and self-esteem by introducing disabled citizens to the freedom and fun that skiing can provide. More Coloradoans and Americans each year benefit from TASP's lessons, camps, and volunteer programs.

Mr. Speaker, it is a great privilege to recognize the Telluride Adaptive Ski Program for its outreach to the disabled community. On the slopes and off, TASP participants feel capable, empowered, independent, and healthy. Everyone deserves the opportunity to experience Colorado's natural beauty, and I am proud to salute a program that expands access to the best recreational opportunities Colorado has to offer.

TRIBUTE TO MR. MILTON LLOYD MORRISON OF SALINA, KANSAS

HON. JERRY MORAN

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. MORAN of Kansas. Mr. Speaker, I rise today to pay tribute to a man who affected the lives of many people in Kansas and across the country. This month we mourn the death of Mr. Milton Lloyd Morrison of Salina, Kansas. Milton Morrison was a quiet giant.

A life-long Kansan, Milton was always true to his roots. He lived a life guided by the morals and values we hold dear: abiding faith, faithful service and absolute integrity.

Milton's dedication to his community is renowned. Throughout his life, Milton took a lead role in making certain his community was progressive in pursuits of quality of life issues. His leadership and commitment to his church, college alma mater and professional trade associations were inspired by a favorite quote, "Service is the rent we pay for the space we occupy in this world."

Milton was by every account a successful businessman. With a disciplined approach he directed Morrison Ventures, a leading grain storage and farmland investment operation. His management style was always marked with trademark methodical thinking and a keen emphasis on patience and perseverance.

Most important to Milton was his family. Over the course of 65 years he and his wife Becky raised two sons, Roger and Richard, and devoted endless love and attention to six grandchildren and 12 great-grandchildren.

Milton Morrison made his community, state and nation a better place. I join his many friends and admirers in extending my deepest sympathies to Becky and her family during their time of loss.

EAST BRUNSWICK HIGH SCHOOL

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2003

Mr. HOLT. Mr. Speaker, on April 26, 2003, more than 1200 students from across the country will compete in the national finals of the We the People: The Citizen and the Constitution program in Washington, D.C. This program is the most extensive educational program in the country, developed specifically to educate young students about the Constitution and the Bill of Rights. The We the People program, administered by the Center for Civic Education, is funded by the U.S. Department of Education by act of Congress.

I am proud to announce that the class from East Brunswick High School will represent the state of New Jersey in the program's finals. These students have worked conscientiously to reach the national finals by participating at local and statewide competitions. In the past fifteen years, these young scholars have won the state competition fourteen times, an accomplishment that should not go unnoticed. Through their experience, they have gained a deep knowledge and understanding of fundamental principles and values of our constitutional democracy. It is a great honor that students from the 12th District in New Jersey have shown such dedication and interest in our nation's government.

The three-day We the People national competition is modeled after hearings in the United States Congress. The hearings consist of oral presentations by high school students before a panel of adult judges on constitutional topics. The students are given an opportunity to demonstrate their knowledge while they evaluate, take, and defend positions on relevant historical and contemporary issues. Their testimony is followed by a period of challenging questions by the judges who probe the students' depth of understanding and ability to apply their constitutional knowledge.

The We the People program provides curricular materials at upper elementary, middle and high school levels. The curriculum not only enhances students' appreciation of the institutions of American constitutional democracy, it also helps them identify the contemporary relevance of the Constitution and Bill of Rights. Critical thinking exercises, problem-solving activities, and cooperative learning techniques help develop participatory skills necessary to become active, responsible citizens.

The class from East Brunswick High School is currently preparing for their participation in the national competition in Washington, D.C. It is inspiring to see these young people advocate the fundamental ideals and principles of our government, ideas that identify us as a people and bind us together as a nation. It is important for future generations to understand
